TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the eleventh of March next, at eight of the clock in the forenoon, (Polls close at 1 P.M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, Expenses and Election and Registration, Municipal Court, Town House, Police Department, Fire Department, Civilian Defense, Tree Spraying, Dutch Elm Disease, Health Department, Vitals, for the laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Christmas Tree, Memorial Day, Adams Playground & Pool, Putnam Park, Cemetery, Town Library, Town Water Charge, Monadnock Region, Town Planning Board, and for any other charge arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust or otherwise by any individual or individuals.

Article 6. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the future purchase of equipment for the Highway Department, the Police Department and the Fire Department as recommended by the Planning Board, or take any other action relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of One Thousand Eighty Nine Dollars and Twenty-Seven Cents (\$1,089.27), provided the State gives Seven Thousand and Two Hundred Sixty-One Dollars and Eighty Cents (\$7,261.80) for the construction of Class V Highways.

Article 8. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to rebuild May Street at West Peterborough, or take any other action relating thereto.

Article 9. To see if the Town will adopt the Five Year Road Improvement Program as recommended by the Town Planning Board, or take any other action relating thereto.

Article 10. To see if the Town will vote to raise and appropriate a sum not exceeding Sixteen Thousand Dollars (\$16,000.00) for the purpose of making improvements to the following Class V Highways within the town: Summer St. from Main St. to the junction of High St., Sand Hill Road starting at Old Street Road, easterly to a point beyond the residence of Paul C. Cummings, Jr. Such sums to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 83, Laws of 1951 as amended by Chapter 31, Laws of 1953, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Peterborough.

Article 11. To see if the Town will instruct the Selectmen to repair or reconstruct the bridge over the Contoocook River on the Morison Road in conjunction with the State Highway Department, or take any other action relating thereto.

Article 12. To see if the Town will authorize the Selectmen to construct a new sidewalk on the south side of Union St., from the junction of Main St. westerly to the entrance to the swimming pool, and from the east entrance of Overseers Row easterly to the junction of Windy Row, or take any other action relating thereto.

Article 13. To see if the Town will instruct the Selectmen to purchase a new Dump Truck and Snow Plow, and pay for the same with money from the Highway Department Reserve Funds, or take any other action relating thereto.

Article 14. To see if the Town will vote to instruct the Selectmen to purchase a new Grader, dispose of the old grader and plow, or take any other action relating thereto.

Article 15. To see what sum of money the Town will raise and appropriate and place in a Reserve Fund, to defray the Town's share of the cost of a new bridge over the Contoocook River at Bridge St., or take any other action relating thereto.

Article 16. To see what sum of money the Town will vote to raise and appropriate to eliminate the dangerous curve on Sand Hill Road from a point opposite the property of Arthur J. Morin

in an easterly direction to a point beyond the residence of Paul C. Cummings, Jr., or take any other action relating thereto.

Article 17. To see if the Town will authorize the Putnam Park Committee to procure an evergreen tree and plant it in a location as a permanent Christmas Tree, raise and appropriate money for the same, or take any other action relating thereto.

Article 18. To see what sum of money the Town will raise and appropriate for the refinishing of the faces of the Town Clock, or take any other action relating thereto.

Article 19. To see if the Town will instruct the Trustees of the Trust Funds to pay over to the Town Library Trustees a sum of money sufficient to finish and equip the addition to the Town Library now under construction. Said money to come from the Eben W. Jones Library Building Trust Fund set up by will and accepted at the Annual Town Meeting, March 11, 1941.

Article 20. To see if the Town will vote to adopt the zoning ordinance recommended by the Planning Board and as prepared by its consultants.

Article 21. To see if the Town will vote to adopt the building regulations published and known as the National Building Code, abbreviated edition, 1955, and amendments as recommended by the National Board of Fire Underwriters, as authorized under Sections 2-5 inclusive, Chapter 156, New Hampshire Revised Statutes Annotated, 1955, and as recommended by the Planning Board.

Article 22. To see if the Town will vote to authorize the Selectmen to appoint an Inspector of Buildings who shall hold office for a term of one year, and by vote fix and regulate his compensation as authorized by Section 1, Chapter 156, New Hampshire Revised Statutes Annotated, 1955.

Article 23. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plans showing new streets or the widening thereof, or parks, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Hillsborough, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29, inclusive Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

Article 24. To see if the Town will authorize the Selectmen to employ the Anderson-Nichols Company of Concord, N. H. and Boston, Mass., as standby consultants to the Town, raise and appropriate money for the same, or take any other action relating thereto.

Article 25. To see what sum of money the Town will vote to raise and appropriate to move the Main Street Watering Trough and drinking fountain to Putnam Park, and connect it to the Town Water System, or take any other action relating thereto.

Article 26. To see if the Town will vote to officially name or re-name one or more of its streets or roads, or take any other action relating thereto.

Article 27. To see what sum of money the Town will vote to raise and appropriate to authorize the Planning Board to make a utility study under the terms of the Federal Urban Planning Assistance Program, matching a grant of money from the U. S. Housing and Finance Agency, or take any other action relating thereto.

Article 28. To see if the Town will vote to adopt an ordinance establishing fire limits as provided in Appendix D, Page 73 of the Building Code or take any other action relating thereto.

Article 29. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 30. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 31. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-fourth day of February, in the year of our Lord Nineteen Hundred Fifty-Eight.

REPORT OF THE BUDGET COMMITTEE

School Budget

The Budget Committee or members of its subcommittee selected to deal with the school budget have met with the School Board and the Superintendent of Schools on six different occasions, beginning with a meeting with the Teachers' Salary Committee on January 9th, 1958, and ending with a meeting held on February 24th, 1958. After considerable discussion suggestions were made in several instances to modify the budget requests but complete agreement was not reached with the School Board since it was their feeling that the voters should make the final determination.

Once again the item of teachers' salaries aroused great interest and came in for special attention by the Budget Committee. This year's figure is \$154,160, representing over 50% of the entire budget and includes raises for all teachers to keep pace with the teachers' salary schedule agreed to last year as well as an additional across-the-board raise of \$200.00 to offset an increase of this amount that the School Board must pay next year for beginning teachers. In addition, this amount anticipates hiring two additional teachers—one for an extra section of Junior High students expected next fall and another to free the Elementary School Principal from teaching duties. The Budget Committee, while acknowledging the need to eliminate long standing inequalities in the teachers' salary schedule, felt after an examination of its impact on the individual teachers concerned, that the extra raise could be limited to \$100.00 this year, thus saving \$3,000 and looking toward the introduction of a merit system next year. It was also the Budget Committee's feeling that with a new Superintendent of Schools scheduled to take over in July that this was not the year to support the proposed non-teaching principal for the elementary school and that the recommendations of the new superintendent should be received before a final decision is made; this would eliminate \$3,500 from this section of the school budget. These suggested limitations in teachers' salaries would in turn allow a further saving in teachers' retirement and Social Security contributions of about \$400.00.

The Budget Committee also recommends that the School Board forego the purchase of a fireproof file for another year at a cost of \$350.00 and that the item of \$2,650 for folding tables in the cafeteria be eliminated. If sustained by the voters these reductions would bring about a saving to the town of \$9,900 and would reduce the total school budget, exclusive of special articles, from \$286,312 to \$276,414.

With reference to Special Articles involving further appropriations—under Article 13, the Budget Committee recommends that the amount appropriated for further construction work on the school baseball diamond be limited to \$1,000 and that bids be solicited for this purpose. Under Article 14, the

Committee feels that the requested appropriation of \$2,500 for the purchase and erection of a fence along the east side of the school playground be postponed to another year and temporary fencing facilities be used in the interim.

While commending the School Board for their diligent performance of their responsibilities, the Budget Committee in recommending the aforementioned reductions, felt that a determined effort to stabilize the tax rate should be made this year. Accordingly, we have attempted to "pinpoint" our recommendations more than may have been the case in other years.

Town Budget

In the manner introduced in last year's report, the Budget Committee proposes to limit its recommendations only to articles where special action seems indicated. If an article containing an appropriation is not commented on, it is to be assumed that the Committee approves that article.

Under Article 2, covering the amounts to be appropriated for the various town departments, the Budget Committee recommends that the Police Department appropriation be increased from \$13,000 to \$13,500 to allow for extra protection during times not now covered by the department. The committee also wishes the town to note that although the Health Department appropriation has been reduced, the Town Dump Appropriation, formerly under this department, is now presented separately. It is our recommendation that this appropriation be reduced from \$2,500 to \$2,000. Also under this article it is the recommendation of the Budget Committee that the cemeteries' request be reduced from \$3,500 to \$3,000, the same amount as was appropriated last year. With regard to the requested appropriation for Putnam Park, it was felt that with a considerable sum of money, already raised through private donations, at the disposal of the Park Committee, the amount of \$2,500 seemed excessive and the Budget Committee strongly recommends that the town's share of its support be limited to the regular appropriation of \$150.00.

Under Article 6, the Budget Committee understands that it will be suggested that the sum of \$7,500 be appropriated to be placed in a Capital Reserve Fund for future purchases of equipment for the Highway Department, the Police Department and the Fire Department. The Budget Committee endorses this motion but recommends that the appropriation be limited to this amount.

Article 14 refers to the purchase of a new grader as well as to the disposal of the old grader and plow. While this action would not effect this year's rate, the Budget Committee felt that it would add a fixed charge to future budgets while pledging future deposits to the Capital Reserve Fund and the Committee advises against passage of this article and that the town rent a grader to perform the necessary work.

Article 15 pertains to the establishment of a Reserve Fund to defray the town's share of the cost of a new bridge over the Contoocook River at Bridge Street with \$10,000 the requested appropriation. The Budget Committee feels that such action would be premature and might possibly weaken the bargaining position of the town in relation to the State when the matter comes up for final disposition and does not recommend its passage.

Under Article 16 the sum of \$5,000 is requested to eliminate the dangerous curve on Sand Hill Road between the Arthur J. Morin and Paul C. Cummings residences. The Budget Committee recognizes the hazardous condition of this section of road but feels that the best solution to the problem lies in the passage of Article 10, a part of which deals with this problem.

In regard to the appropriations requested for the Highway Department, the Budget Committee recommends that the Summer Maintenance appropriation be reduced from \$13,500 to \$12,000, General Maintenance from \$3,000 to \$2,500, the Emergency Fund from \$2,000 to \$1,500 and the Sidewalk Fund from \$1,000 to \$750. These four reductions would save the town a total of \$2,750 and, with the increased TRA construction scheduled for next year under Article 10, would not unreasonably restrict the Highway Department.

Article 25 is to see if the town will appropriate \$400.00 to move the Main Street watering trough and drinking fountain to Putnam Park and to connect it to the town water system. The Budget Committee feels that this would not be a proper expenditure of town funds since the watering trough has become a landmark of the town in its present location.

Under Article 27 the sum of \$1,350 is requested for a utility study with matching federal funds. While such a study may be desirable within the next few years, the Budget Committee feels that this expenditure is premature at this time and that much of the desired information could be obtained from maps now owned by the town.

In summation, the Budget Committee wishes to point out that if all requested appropriations are voted by the town, the 1958-1959 tax rate would be approximately \$36.50 per thousand, an increase of \$4.00 per thousand. However, if the town sustains the recommendations of the Committee, savings of over \$35,000 can be effected and the tax rate stabilized at or near to the present rate.

Respectfully submitted,

LIBRARIAN'S REPORT FOR THE PETERBOROUGH TOWN LIBRARY

To the Trustees of the Peterborough Town Library:

The year 1957 has been the first to witness our utilization of the Eben Jones Wing; but what scrambling around the trustees, librarian, one temporary cleaning woman, two temporary janitors, and five temporary (almost permanent) carpenters did in order to have the wing available to the public during the first month in January.

Miss Claire Isabelle, interior decorator for Kidder and Davis, Fitchburg, Mass., custom tailored draperies for the wing. These are a soft gold print inspired by Persian miniatures used in tapestries, wall hangings, and rugs of ancient Persia. Twombly Associates, Inc., Winchester, Mass., supplied wall shelving, white maple stock with a pleasing butternut tone. It also furnished the comfortable armchairs, which are done in a walnut finish covered with elastic Ox-blood Naugahyde. The Bader Company of Concord, N. H., installed birchface movable partitions for the elegant librarian's office, the two carrells, and smoking room.

We now have the facilities to offer the adults a large fiction section, an excellent reference corner, an art section, carrells for individual research, a mystery-western corner, even a smoking room—to say little of a new entrance on Concord St., with excellent provisions for parking at the northern side of the building. The former reading room has been taken over completely by the youngsters who have their own reference section, a biography spot, a division for junior high reading, another for grades 4, 5 and 6; and a third area for grades 1, 2 and 3.

If a casual observer were to Sunday ride through Peterborough, certainly he would notice all the new lanes, streets, roads, and drives with so many large and small houses springing up here, there, and everywhere—our most concrete evidence that the town is growing quietly and steadily. A good, intelligent guess would be that Peterborough will continue to expand within the future. We do appreciate the foresight of Mr. Eben Jones, and we should thank the people of Peterborough who gave their approval for the expanding we have done to serve not only our increasing population of today, but also to anticipate the population of future years.

Volumes in library, December, 1956	28,776
Volumes purchased	1,300
Gift volumes	803
Volumes withdrawn	107
Volumes in library, December, 1957	30,772
Periodicals purchased	40
Gift periodicals	10

Paintings—reproductions	63
Pamphlets	270
Picture puzzles	250
Paintings circulated	221
Pamphlets circulated	59
Picture puzzles circulated	200
Reading material borrowed from N. H. State Library, Library of Congress, and other sources	612
Books rebound	508
1957 registration	366
Reading room attendance	7,491
Volumes circulated	40,650

The preceding vital statistics may be just numbers or figures to many of us, and possibly may be of little significance, especially after we have wound our way through hundreds of miniature reports incorporated into the Peterborough Town Report. Possibly we can make a few of these figures more active and significant if I describe a scene which impressed me tremendously as I paused at my office door one wintery afternoon: Mr. T. K. Hofer and Mr. William McGreal, author of **Andy the Musical Ant**, were working in one of the carrells. Mr. William McCleery was sampling what we like to term our most recent fiction. In another carrell, Mr. Ralph N. Hill, a member of the MacDowell Colony and author of **The Doctor Who Conquered Yellow Fever**, was racing through our complete file of **Yankee**. Six high school students, boys and girls, were actually doing their homework at the large oval table. Mr. Ferdinand Reyher, author of **David Farragut**, was relaxed in a corner checking the New York Times Book Review section, while Mrs. Eileen Chang Reyher, author of **The Rice-Sprout Song**, was seeking the latest in the literature section. Two or three little tots were prone on the floor admiring picture books, while an executive from New Hampshire Ball Bearings, Inc., utilized the smoking room to pursue his research in relative privacy. A scene to warm the cockles of any librarian's heart. This is the type of activity we term "Reading room attendance, 7,491."

I think it is always interesting to share with the layman some of the questions and problems which confront us in our daily work: 1. How do we deal with a kleptomaniac? 2. What time does Bill's barber shop close? 3. I'm finding it difficult to write a thesis on Freud. May I have books about him? 4. Who should give the bride away if she has a divorced father and a stepfather? 5. Why is *It is he* correct? 6. May I have information on enurasthenia? If we can adequately supply the answers or volumes, we do so. If not, the New Hampshire State Library is only a postal card away; and the members of the staff, under the competent supervision of Mrs. Mildred McKay, state librarian, provide the priceless service we need for our patrons.

This is the type of activity we term "Reading material borrowed from New Hampshire State Library, 612."

No report of ours would be complete without acknowledgement of the thoughtfulness and generosity various organizations and individuals have manifested during the past year. A small piano was presented to the library from the Batchelder estate. The ladies of the Cheney-Armstrong Unit No. 5, American Legion Auxiliary, have continued their custom of placing one volume each month in the library. Miss Esther Jackson has given many volumes, as well as a beautiful scrap book concerning the recent visit of Queen Elizabeth and Prince Philip to the United States. On behalf of the Peterborough Book Club, now disbanded, Miss Penelope Noyes presented a check to the library to use "at its discretion, for the purchase of books needed there." The John Bellows Agency has continued to supply bookmarks, a service which it has maintained for the past ten years. A check for \$100.00 and another for \$5.00 were also given to swell the coffers. Mrs. M. K. Pierce has often provided us with a supply of the latest fiction.

We have continued to serve the adults and children who are reading from the Union Congregational Church Reading List by purchasing 100 books for their convenience and shelving them as a unit. We have also provided members of the Catholic Church and the Boy Scouts with special shelves for their books and pamphlets.

May I now take this opportunity to thank the trustees for their friendly counseling, patience, and cooperation. The combination of an excellent Board of Trustees and friendly patrons of Peterborough and surrounding towns has made our work a pleasant duty.

Respectfully submitted,

ALLAN J. BERTRAND

Librarian

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1957.

STATISTICS ON ARRESTS

Number of persons arrested, male	165	
Number of persons arrested, female	14

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Selectmen of Peterborough:

I submit my report from January 1 to December 3, 1957.

Alarms	16	
False alarms	2	
	<hr/>	

Chimney fires	3
Brush and grass	7
Building fires	3
Furnace	1
Miscellaneous	1
Out of town	1
False alarms	2
	<hr/>

18

During 1957 we installed a Mutual Aid Radio system in the Fire Station, which will help greatly in saving time if out of town assistance is needed in any fire emergency.

The Department thanks the townspeople for their caution and carefulness of fires and ask for your continued interest in our Department for 1958.

Respectfully submitted,

DAVID J. ROCHFORD

Chief

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort—The rules are simple.

1. Don't burn at home—use your town dump and avoid all fire problems.

2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material—cigars, cigarettes and matches—are completely out before discarding them. Use ash trays in automobiles.

4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.

6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER—the fire you prevent might be the one which could burn YOUR property.

REMEMBER—Forest Fire Prevention is Everybody's Business and our Most Important Undertaking.

REPORT OF ADAMS PLAYGROUND COMMITTEE

The Peterborough Pool and Playground opened for a period of nine weeks from June 24th to August 24th.

After efforts to hire a local man as director failed, we were fortunate in securing Herbert Silander, physical education director at Troy High School, who had had several years' experience as playground director and he did outstanding work.

Swimming classes proved to be very popular again this year under the instruction of Dolly Whipple and Brenda Blomgren. Brenda had previously attended aquatic school at Camp Tevya, Brookline, N. H.

Walter E. O'Malley did an excellent job as over-all maintenance and we are planning on his continued service. Ronald Bailey assisted with general maintenance and also at the pool.

Arts and Crafts, under the guidance of Ruth Fitzgerald, as usual, proved to be very popular with a larger attendance than in previous years.

Several improvements were made this year including the overhauling and cleaning of the filtration system, new pump installed, filtration room had a coat of paint and general repairs.

As the pool has not been painted for six (6) years plans are underway to have it painted this spring also to install a new diving-board.

REPORT OF RECREATION COMMITTEE

The 1957 Town Meeting directed the Moderator to appoint a committee of five to be chosen from the Planning Board, Selectmen, Adams Playground Committee, Parent-Teachers Association and the Board of Trade to develop the swimming pool area into a permanent skating rink and to acquire additional land to the west for the future development of the area as determined by the committee and/or the town. The Trustees of the Trust Funds were authorized to pay over to this committee a sum of money not exceeding Six Thousand Dollars (\$6,000.00) at the request of a majority of the committee members to finance this work and proposed purchase.

The committee, after some research into various types of rinks and after considering several possible locations in the Pool area, decided on building the rink on the north side of Route 101 and west of the Pool Parking Lot due to its easy access to several sources of water for flooding. During the dry period last fall this previously swampy area was bulldozed and leveled out with a gravel base and a spillway was constructed at the south exit to control flooding of the area. The committee expended a total of \$708.23 on this work, feeling that the rink should undergo a trial period for a winter to determine the amount of use it could be expected to receive before a more elaborate unit should be constructed. The committee was also obliged to withhold a portion of the money available for the possible purchase of land from the MacDowell Colony, as directed by vote of the town, and the final negative decision as to the availability of this land to the project was not rendered until late in the fall.

Unfortunately, the spillway at the south exit developed a bad leak which could not be corrected this year due to adverse weather conditions and therefore, active use of the rink has had to be postponed to next year. The committee plans to repair the damage this spring and, in addition, has under consideration as a long range plan, the development of the rink into a year-round recreational area.

This report is submitted as one of progress and the committee wishes to continue its work on the rink as well as its study of the recreational program and needs of the town for another year.

One of our members, Mrs. Elizabeth Hume, has moved from Peterborough and was not available to sign this report.

Respectfully submitted,

WALTER R. PETERSON, JR. Chm.
R. H. CHERWIN
CHESTER F. DUTTON
MARY A. FITZGERALD

REPORT OF THE PETERBOROUGH PLANNING BOARD FOR THE YEAR 1957

A most active year has been experienced by the Planning Board. This activity was the result of the maturing of assignments given the Board by the voters in the past two Town Meetings.

The major items, in addition to the regular agenda of the Board, consisted of the base map project, a proposed zoning ordinance, a proposed building code, and the road program for 1958-59. These projects, in detail, will be presented to the voters through hearings, documents carrying the details, and by the Selectmen.

The problem of safety on Granite Street, due to utility poles from the bridge on Main Street to the junction of Granite and Pine Streets, was studied with the Selectmen and the representative of the utility company. A plan for removing the poles from the highway was approved, together with a suggested plan to improve the lighting of this and adjacent areas.

A growing problem to our town is that of new housing developments and the Board is presenting an Article in the Town Warrant which, if accepted by the voters, will bring order to the policies of the Town in serving these new residential areas.

The work of the Board has constantly increased and the appropriation of \$500 for the expenses incurred in carrying out the assignments is in need of consideration. This item will be given consideration in the Town Budget.

A review of the value of a Capital Reserve Fund has shown that the original intent of such a fund has been beneficial in financing the projects to which it is assigned, but due to the increased road mileage to be served and the increased cost of equipment, there is every possibility that the \$7,500 usually earmarked for this Fund should be increased, within a year or two, to an amount that will be sufficient to fulfill the purposes of the Fund.

The Board has appeared at a hearing as favoring the By-Pass along Old Dublin Road as originally laid out, but since that time, due to facts not available to some members prior to the hearing, a difference of opinion developed, and the Board as a unit has not participated in the interim as for or against the different plans. It is, however, unanimous in the opinion that a By-Pass is advisable.

It is but a few years ago that the Town was alerted as to its water supply, and although the Board is fully aware of the ample supply at the present time, there must be a constant

watch in this regard. Peterborough not only has had a 6% increase in population in the recent past, it has had added housing units, and, as in all modern living, the amount of water consumption per capita is increasing.

The program of the State to classify streams in relation to pollution in any form is sure to reach our town in the not too distant future. The Board has made application to the State and Federal authorities for funds, when available, to provide a study of sewage disposal. The impact of such a project will be felt for years in the tax rate, but some relief may be found in an early study toward a long-time program. A sewage disposal program is indeed one that would call for a very large sum of money, and the Board is constantly seeking information that may be of help at the time our streams are classified.

Members of the Board were recognized by certificates as evidence of their study at an extension school of ten weeks duration, and they were in attendance at the Governor's dinner for the conference on all phases of business development in New Hampshire and also at a regional zoning conference at Amherst, N. H.

The usual items of the planning program for the town received attention, the details of which appear in other committee reports where members of the Board represented the group.

Respectfully submitted,

ERLE G. BISHOP

 ERNEST B. G. PIGGOTT

THE PETERBOROUGH INDUSTRIAL DEVELOPMENT COMMITTEE

This committee was authorized by the Town at the annual meeting in 1956. At that time the industrial situation in the town was in a state of uncertainty due to the fact that Verney Mills had closed its operation in West Peterborough, and further due to the fact that the New Hampshire Ball Bearings, Inc., was in the process of constructing a new plant in South Peterborough, which would leave its present quarters unoccupied. It seemed advisable at that time that a committee should be formed to study the industrial picture in the town and to make whatever recommendations and take whatever steps might be necessary for the benefit of future industrial development and problems in the town. By a vote of the town, this committee was formed, and its members chosen by the moderator.

Shortly after the formation of the committee, meetings were held by the committee in which the problems of industrial development in the town were thoroughly reviewed and discussed with particular attention given to the problem as to whether or not further industrial development was necessary to the town. After a number of meetings, which included discussions with members of the State Planning and Development Commission, it was the decision of the committee that further controlled industrial growth in the Town would be desirable, and a group or organization should be available for this purpose.

It very early became clear in the meetings of the committee that something more was needed than simply a desire to encourage industry to locate in Peterborough. In this day and age, competition for new industry is extremely keen, and many of the larger communities have set up specific organizations with personnel whose sole function is the encouragement of industry in locating in the community. It was felt by the committee that in this respect the Town of Peterborough was inadequately prepared for any industrial prospect that might come on the scene. For these reasons considerable thought was given to the formation of an industrial development corporation, and in November, 1956, a corporation was chartered by the committee with the State of New Hampshire known as The Peterborough Industrial Development Corporation. The organization of this corporation consists of the five members of the industrial development committee, who are at present the sole stockholders and directors of the corporation, although any other persons interested will be welcomed.

In addition to setting up this corporation, the committee approached a number of interested citizens in the community, and asked these individuals to work with the committee in

advising and assisting the committee in approaching the various problems which were encountered. A great deal of assistance was given to the committee by these interested citizens, and their interest and assistance were of considerable value in encouraging and promoting the work of the committee.

Therefore, a further result of the industrial committee's work to date has been to provide the community with a group of individuals who have made a fairly thorough study of the industrial needs of the community, as well as the potential for new industry in the community, which is essential in discussions with new industries.

It has been the consensus of opinion of the committee that the present industrial situation in the town is relatively satisfactory, and that there was no real need or urgency in the community for the active promotion of industrial development. In other words, the committee felt that, although the group should be available to aid and assist any industrial prospect who is interested in the community, there was no immediate need to undertake the usual promotional aspects of industrial development in the form of active advertising or employment of a promotional expert.

That an industrial development group is necessary for the town becomes apparent when it is considered that, since its formation, the committee has dealt with three industrial prospects, all of which have shown a high degree of interest in locating in the Town of Peterborough. These companies were the Ivar Johnson Co. from Fitchburg, Massachusetts, the Electric Heating System Co. from Bridgeport, Connecticut, and Dictaphone Corp. from Bridgeport, Connecticut. There have been other inquiries and interest shown in locating in the Town of Peterborough by other industries, all of which have been dealt with by the committee.

It is of interest to note that the three companies mentioned above were extremely active in their interest in coming into the community, but it typifies the situation as far as industrial development is concerned in that in each case, for some reason outside the control of the committee, a situation arose which prevented the location of the particular industry in the town. It can also be said, however, that in each instance, if a group from the community had not been available and ready to discuss the problems of industrial location with each of the interested industries concerned, it is probable that the interest in the community which was generated would not have developed to the extent which it did.

The committee now feels that, in view of the fact that The Peterborough Industrial Development Corporation has been formed, and that a group of interested citizens is ready, willing

and able to work with the corporation on industrial problems, the work of this committee has been terminated, and that the future industrial development activity should be left in the hands of The Peterborough Industrial Development Corporation. It is, therefore, respectively requested that this committee be discharged from any further duties.

B. ADMINISTRATIVE POLICY OR PROBLEMS

SALARY SCHEDULE

Peterborough, New Hampshire

Level	Salary
1	\$3300
2	3500
3	3700
4	3850
5	4000
6	4150
7	4300

I. Teachers with previous teaching experience entering employment in Peterborough will be placed on the schedule as mutually agreed by the school board and the teacher in the light of the superintendent's evaluation of that experience. Those with a Master's degree, or with 30 credits of approved graduate study, will receive \$200 annually more than those with a Bachelor's degree and comparable experience and those without a degree will receive \$200 less. Teachers with two years or more of military service will receive \$200 additional to reach level 7 on this schedule. Teachers already in the Peterborough school system will move up one level each year in accordance with the schedule.

II. Beginning in 1957-58 teachers below schedule will receive annual increments as follows to bring them up to schedule:

- (1) \$300 if they have taught 1 year only in Peterborough, or
- (2) \$500 if they have taught more than 1 year in Peterboro.
- (3) All teachers will be on schedule by 1958-59.

III. Any teacher designated by the school board as a Master Teacher on the unanimous recommendation of the principal, helping teacher, and superintendent will receive an additional \$200 for one year.

IV. Each teacher will earn at least 6 college credits every 5 years effective July 1, 1955.

V. Teachers will be allowed sick leave for either personal illness, or other emergency. Sick leave will be earned one day per month of employment and be cumulative to 50 days from Sept. 1, 1954.

VI. After three successive years in Peterborough, the teacher will be placed on continuing contract.

VII. No additional salary for extra curricula activities.

VIII. This schedule is not a contract, but shall be regarded only as a statement of the school board's policy. This schedule is subject to revision at any time by vote of the school board

and whenever practical any revisions will be discussed with the teachers before definite action is taken by the board. Salary increases are granted only by vote of the school board.

IX. This committee recommends that a standing salary committee be maintained and that the salary schedule be reviewed and revised when necessary.

X. The above provisions will become effective July 1, 1957.

TUITION RATES

1957-58	Elementary	\$231.00	High School	\$354.00
1958-59	Elementary	\$232.00	High School	\$367.00

C. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:30 a. m., and by having it announced over radio station WBZ at the same time approximately. When the No-School Signal is given it means that there will be no school all day. If on a day when the weather looks so bad that one suspects there will be no school and by 7:30 has not heard the no-school whistle nor the no-school announcement on the radio, one can find out if there is to be no school by asking the telephone operator.

D. CALENDAR

1958

April 25 Schools close—Spring vacation
 May 5 Schools reopen
 May 30 Schools closed—Memorial Day
 June 13 Schools close (Unless time lost)—Summer vacation

Sept. 3 Schools open
 Oct. 16-17 Schools closed—State Teachers' Convention
 Nov. 27-28 Schools closed—Thanksgiving recess
 Dec. 19 Schools close—Christmas vacation

1959

Jan. 5 Schools reopen
 Feb. 20 Schools close—Winter Vacation
 Mar. 2 Schools reopen

E. REPORT OF DISTRICT CLERK

At a meeting of the Inhabitants of the School District of Peterborough qualified to vote in District Affairs, holden at the Town House in said District on Tuesday, the 12th day of March, 1957 at 8:00 o'clock in the forenoon.

The Moderator, Maurice M. Blodgett presided, and called the meeting to order and proceeded with the business as follows:

After the reading of the warrant, a motion was passed that the Polls of the Peterborough School District close at 1:00 P. M. and at 1:30 P. M. the Articles 6 through 12 be considered.

Mrs. Marjory Wheeler and Mrs. Arlene Lane were named as ballot clerks to assist in the voting.

Voting proceeded for the offices of Moderator, Clerk, Treasurer and members of the school board until 1:00 o'clock.

At 1:30 o'clock, the Moderator called the meeting to order, and the High School Varsity Chorus under the direction of Neil Bartlett, music supervisor, sang the Peterborough Hymn, by Edward MacDowell. Miss Florence Hancock accompanied the group.

Article 6 was then considered, and the following motions were passed without discussion:

- (a) Moved: That the salary of the Moderator be \$10.00 for the ensuing year.
- (b) Moved: That the salary of each School Board Member be \$50.00 for the ensuing year.
- (c) Moved: That the salary of the District Treasurer be \$75.00 for the ensuing year.
- (d) Moved: That the salary of the District Clerk be \$10.00 for the ensuing year.
- (e) Moved: That the salary of each ballot clerk be \$5.00 for the ensuing year.

Under Article 7—It was voted that the records and reports of the clerk and Treasurer be accepted as printed.

Article 8 was postponed until after action was taken on Article 9.

Under Article 9 the following motion was presented:

Moved: That the school district raise and appropriate \$275,498.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the Selectmen that balance as an assessment to be raised by the town for school purposes.

Mrs. Clement, chairman of the School Board, explained the budget and the various expenditures. School teachers' salaries were especially mentioned showing the contemplated raise in salaries for teachers.

The following amendment to the motion was presented by Mr. Teixeira, Chairman of the Board of Selectmen:

Moved: That the motion before the house be amended by striking out said motion and inserting in place thereof the following:

Moved: That the School District raise and appropriate the sum of \$200,000, together with such sums as are estimated to be received from the State equalization fund and other income, for the support of the schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

And be it further moved that the School Board be and is hereby authorized to drop from the present list of subjects taught in our schools such subjects as will in their opinion least affect the quality of education to the extent that they will have money enough in their budget to retain our good teachers and pay them the salary their work commands.

Mr. Teixeira asked for a secret Yes or No ballot by the checklist.

The moderator asked the assembly to vote as to whether or not they wished for the secret ballot, and they voted 117 yes and 100 no. Mr. Teixeira withdrew his request for a vote by checklist. Voting then proceeded on the amendment by secret ballot and the result was 160 for the amendment and 131 against it.

The original motion as amended by Mr. Teixeira was then voted upon and passed.

Article 8 was then considered, and Mr. Shultz presented the following motion:

Moved: That the Moderator be instructed to appoint a committee of nine members, one from the School Board, three members of the teaching staff, two members of the Budget Committee and three other members to study methods in an effort to make more efficient and economical operation of our schools and that a report of this committee be made to the School district within the next year.

The motion passed.

Another motion under Article 8—presented by the School Board was passed.

Moved: That the district petition the State Tax Commission to have an audit made by the Division of Municipal Accounting.

Under Article 10 the following motion was passed:

Moved: That the district raise and appropriate in addition to the original appropriation for 1956-1957 the sum of \$6,389.62 in order to meet unanticipated obligations caused by the increased enrollments, repairs, and maintenance, and a school lunch program deficit, and to authorize the application against such appropriation of the unanticipated income from tuitions of \$4,504.63 and the balance of \$1,885.99 to be raised by taxes by the Town and made available to the School district prior to July 1, 1957.

Article 11—Moved: That the District raise and appropriate \$1,000.00 for the purchase and installation of steel venetian blinds for the windows in the elementary wing basement to conform with the request of the Civil Defense authorities.

It was moved by Mr. Mercer to lay this article on the table and refer the matter to the newly appointed committee. This motion passed.

Under Article 12 the following motion was presented by the School Board:

Moved: That the district authorize the school board to contract for the razing and removal of the Central School Building at such price and on such terms as the board shall determine to be the best advantage of the district, retaining the land for the use of the district.

An amendment to the above motion was presented by Mr. Keenan:

Moved: That the motion before the house be amended as follows: That a committee of Five be appointed by the Moderator, one from the Planning Board, one from the Board of Selectmen, one from the Peterborough Industrial Committee, one from the Board of Trade, and one from the Budget Committee, together with the School Board, and said committee shall have authority to sell or lease, or raze the Central School Building, whichever in their judgment shall be for the best interests of the School District and the Town of Peterborough, but retaining the land for the use of the District. The amendment was accepted, and the motion passed as amended.

The meeting was then recessed until after the ballots were counted.

Results of the Voting for School Officers for School District of Peterborough

For Moderator: Maurice M. Blodgett, 834 votes.

For Clerk: Helen A. Keenan, 841 votes.

For Treasurer: Robert W. Derby 841 votes.

School Board Member for 3 years: Margaret H. Clement, 495 votes. John J. Gallagher, 378 votes. Mrs. Clement was declared elected.

School Board Member for 2 years: Robert D. Stewart, 498 votes. Albion Lane, 372 votes. Mr. Stewart was declared elected.

Mr. Blodgett, the Moderator, administered the oath of office to the newly elected officers and the meeting was adjourned at 6:00 o'clock in the evening.

Respectfully submitted,

S/HELEN KEENAN

Clerk

A True Copy

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in the district affairs:

You are hereby notified to meet at the Town House in said district on the 11th day of March 1958, at 8:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197: 12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

10. To see if the School district will vote to authorize the Special Committee to sell the Central School Building and lot, or to remove the Central School Building and make a school playground, and raise and appropriate money for the same, or take any other action relating thereto.

11. To see if the School district will vote to authorize the Special Committee to complete the construction of the school playground on the Lot known as the Jones Lot, or take any other action relating thereto.

12. To see if the school district will vote to increase the size of the school board from 3 members to 6 members. (By petition)

13. To see if the school district will vote to raise and appropriate the sum of \$1,500.00 for further construction work on the school baseball diamond.

14. To see if the school district will vote to raise and appropriate the sum of \$2,500.00 for the purchase and erection of a fence along the east side of the school playground.

15. To see if the school district will vote to authorize the school board to enter into contracts with other districts for the education of their pupils in Grades 1-12 for terms not exceeding five years and at tuition rates equal to the appropriate State average cost per pupil of the current expenses of operation of all public schools in the State.

Given under our hands at said Peterborough this 24th day of February, 1958.

Personnel Changes

There were several changes in the staff at Peterborough Consolidated School at the opening of school in September, 1957; Miss Ann Basset, Grade 2; Miss Eveline Binmore, Grade 1; Mr. James A. Cooke, Guidance Counselor; Mr. Robert J. Hall, Biology and Civics; Mr. Neil Howard, English, Civics and World History; Miss Shirley Lu Ingalls, Math and General Business; Mr. Walter F. Richardson, Boys' Physical Education; Mr. William E. Savage, Social Studies; Mrs. Rose M. Shepard, Math and Science, Grade 7; Mrs. Sally P. Trufant, Grade 4; Mr. Stefan Vogel, Grade 5; and Mr. Frank Petronzio, Art Supervisor. Mr. Ruel J. Hall replaced Mr. Thomas McAdam as assistant principal in charge of the elementary section.

B. PROGRAM AND METHODS

This year marked the beginning of some changes in the courses of study and their organization. Three basic courses are offered as follows:

Program of Studies

College Preparatory Course

1st Year

Required:	Electives: (Elect one)
English I	
Civics	Latin I
Mathematics I (including Algebra I)	General Science

2nd Year

Required:	Electives: (Elect one)
English II	French I
Intermediate Algebra	Latin II
Biology	World History
	Personal Typing ($\frac{1}{2}$ year; no credit)

3rd Year

Required:	Electives: (Elect one)
English III	
U. S. History	French II
Chemistry	Geometry

4th Year

Required:	Electives: (Elect two)
English IV	Advanced Algebra and Trigonometry
World Affairs	Economics
	Family
	Physics

Vocational Arts Course

1st Year

Required:

English I
Civics
Foods & Clothing I or
Cabinet Making

Electives: (Elect one)

General Science
General Business Training
Mathematics I (including
Algebra I)

2nd Year

Required:

English II
Foods & Clothing II or
General Shop

Electives: (Elect two)

Biology
World History
Intermediate Algebra
French I

3rd Year

Required:

English III
U. S. History
Home or
Auto Mechanics I
(1 period per day)

Electives: (Elect one)

Bookkeeping
Chemistry
Geometry
French II

4th Year

Required:

English IV
Family or
Auto Mechanics II
(1 period per day)

Electives: (Elect two)

Economics
Consumer Mathematics
World Affairs
Physics

Commercial Course

1st Year

Required:

English I
Civics
Mathematics (including
Algebra I)

Electives: (Elect one)

General Science
Foods and Clothing I
Latin I

2nd Year

Required:

English II
Biology and/or
World History

Electives: (Elect one or two)

Foods & Clothing II
French I
Intermediate Algebra

3rd Year

Required:

English III
U. S. History
Commercial Typing
Bookkeeping

Electives:

Shorthand
French II

4th Year

Required:

English IV
Office Practice

Electives: (Elect two)

Economics
Consumer Mathematics
Family
World Affairs

Art available one period per week ($\frac{1}{4}$ credit).

Music available two periods per week ($\frac{1}{2}$ credit).

Band available one period per week ($\frac{1}{4}$ credit).

Theory and Harmony available to juniors and seniors five periods per week during teacher's one available period (1 credit).

Physical Education required two periods per week (no credit).

Boys' Physical Education

1957 marked a change in the organization of the boys' physical education program under the direction of Mr. Richardson as follows:

The physical education program is built to meet the needs of the students with the following goals in mind:

Health, Command of Fundamental Processes, Worthy Home Membership, Vocation, Citizenship.

The program consists of three parts:

1. Service:

a. Corrective and development measuring program (15%): Physical fitness testing, Calisthenics, and Individual posture developments.

b. Team Sports (30%): Football, Soccer, Basketball, and Softball.

c. Individual and Dual Sports (20%): Track and Field, Archery, Badminton, and Wrestling.

d. Gymnastics (15%): Tumbling and Stunts

e. Games and Relay (20%)

2. Intramural—the carry-over of skills taught in the service program set in a situation where every student has the opportunity to develop these skills.

3. Interschool—the most powerful educational force particularly in the development of social and moral, as well as physical, qualities.

Testing Program

A new testing program was initiated at the Peterborough Consolidated School during the fall of 1957. The Iowa Tests of Educational Development were administered to grades nine through twelve. These tests are a battery of nine objective tests which provide accurate information on the individual abilities of pupils in nine specific areas, as well as providing specific information whereby the educational program of the school can be appraised and evaluated. These tests have been used nationally and in some states such as Iowa and Oklahoma

statewide in all public schools. The tests received national attention when they were written up in the Reader's Digest in October, 1954, in an article entitled "They Spotlight Hidden Talent." Peterborough Consolidated School students scored very high in Math., Science, and Written Expression and every class scored well above the corresponding national average. It is interesting to note that 44% of Peterborough Consolidated School students take General Science, 96% Biology, 66% Chemistry, and 29% Physics. The average percentage of students taking the latter two subjects nationally is 10% and 3% respectively, which indicates the high percent of students taking these subjects at Peterborough Consolidated School.

Student Honors and Awards

Two scholarship offers were made to Carl Cowan, a member of the class of 1957, one to Bates College (full tuition of \$3000) and one to Antioch College (\$3200). He elected to attend Bates and is a freshman as of this year.

Sandra Howard, a Junior in 1956-57, was awarded a French Award sponsored by the French Government. She won first place in New England and first place in New Hampshire for excellence in French. Miss Howard was also awarded third place in the state of New Hampshire Veterans' of Foreign Wars Auxiliary Essay Contest.

Professional Improvement

Teachers at Peterborough Consolidated School continued taking courses for professional improvement. Many attended Keene Teachers College. Others took extension courses offered by the University of New Hampshire at the school. The latter has offered four courses at Peterborough in the past two years, which is an unusual record.

Science Workshop

Of unusual interest in the elementary section this year was a three-day (March 27-29, 1957) science workshop for elementary teachers. Dr. John Read and Professor Pearl Nelson of Boston University were the principal leaders, and Mr. Norman Harris of the Museum of Science presided for a good part of a day. This was the first time he had participated in a program of this type outside of the Museum of Science. Teachers had a chance to evaluate their own work and to make plans for future changes.

Reading Program

The experimental program of Preventive Remedial Reading which is now in its third year received national attention when an article concerning it was published in the New York Times

and myriad Associated Press newspapers all over the country. In addition visitors have come from many of the New England States to observe the program in action.

PART III. SCHOOL PLANT

A. REPAIRS

1. Roof

The roof on the thirty-year old high school building was replaced during the summer of 1957 with new tar, gravel and felt bearing a twenty-year bond at a very favorable cost of \$1787.00.

2. Ceilings

The ceilings in two of the high school rooms were replaced with acoustical tile. Consistent with the policy in effect for the past few years another room should have the ceilings fixed in the same way this coming summer.

For several years it has been rather generally realized that the two concrete corridor floors in the high school part are very difficult to clean and are very unsightly. Covering with asphalt tile would not be very expensive and would make for much easier cleaning and more attractive appearance.

Perhaps one of the most important replacement items deserving consideration this coming year is that of cafeteria seating. The use of ordinary tables and folding chairs in this room makes it exceedingly difficult to use it for other purposes. There are many needs for this room other than as a lunch room, especially for physical education and dramatic activities. If the present furniture, which is really needed elsewhere anyway, were replaced with combination roll-a-way tables and benches, a few minutes work would make the room usable for these other purposes. This is probably the least expensive way to getting the space sorely needed because of increasing enrollment.

B. INSURANCE

Fire & Extended Coverage on Peterborough Consolidated School & Contents	\$440,000 00
Fire & Extended Coverage on Central School	25,000 00
Boiler Insurance, Property & Liability Peterborough Consolidated School	50,000 00
Owners' & Tenants' Liability, including teachers each person	100,000 00
each accident	300,000 00
Workmen's Compensation & Employers' Liability	25,000 00

PART IV. FINANCE

A. REPORT OF SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1956 to June 30, 1957

Summary

Cash on hand July 1, 1956 (Treasurer's bank balance)		\$259 79
Received from Selectmen		
Current appropriation	\$193,322 00	
Special appropriations (including deficit appropriation)	1,885 99	
Advance on next year's appropria- tions	10 00	
Received from State Treasurer:		
State Funds	10,133 59	
Federal Funds	1,888 84	
Received from tuitions	50,523 87	
Received from all other sources	6,013 18	
Total Receipts		\$263,777 47
Total Amount Available for Fiscal Year (Balance and Receipts)		\$264,037 26
Less School Board Orders Paid		\$262,837 23
Balance on hand June 30, 1957 (Treasurer's Bank Balance)		\$1,200 03
July 6, 1957	s/ROBERT W. DERBY District Treasurer	

B. SCHOOL BOARD'S FINANCIAL REPORT AND BUDGETS

	Expenditures 1956-57	Budget 1957-58	Revised Budget 1957-58	Budget 1958-59
ADMINISTRATION:

F. STATE AUDITORS' REPORT

REPORT OF AN EXAMINATION AND AUDIT OF THE
ACCOUNTS OF THE PETERBOROUGH SCHOOL DISTRICT, for the fiscal year ended June 30, 1957 made by The
Division of Municipal Accounting, STATE TAX COMMISSION July 15 and 16, 1957

DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 26, 1957

The School Board
Peterborough School District
Peterborough, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterborough School District for the fiscal year ended June 30, 1957, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1956 and June 30, 1957, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$30,121.87 during the fiscal year ended June 30, 1957.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures-Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1957, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of \$4,559.73, less a revenue surplus of \$3,103.85, resulted in a net budget deficit of \$1,455.88. A deficiency appropriation was voted by the School District meeting on March 12, 1957, to cover the overdrafts.

Summary of Receipts and Expenditures: (Exhibit E-1)

A summary of receipts and expenditures for the fiscal year ended June 30, 1957, made up in accordance with the uniform

classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1957, is indicated in Exhibit E-2.

Statement of School Tax Account: (Exhibit F)

A statement of the School Tax Account with the Town of Peterborough is presented in Exhibit F. As shown by this statement the School District received from the Town during the fiscal year ended June 30, 1957, \$1,895.99 in excess of the School Tax for 1956-57. Of this amount \$1,885.99 was on account of a deficiency appropriation voted at the 1957 School District Meeting, which will be raised in the 1957-58 School Tax. The balance of \$10.00 was an advance from the Town on the 1957-58 School Tax.

Building Fund Account: (Exhibit G)

A summarized statement showing the activity in the Building Fund Account during the fiscal year ended June 30, 1957, is presented in Exhibit G.

Statement of Bonded Debt: (Exhibit I)

A statement of the Bonded Indebtedness of the School District as of June 30, 1957, showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current Surplus:

It is noted that during the fiscal year ended June 30, 1957, the current financial condition of the School District changed from a current deficit of \$4,036.40 to a current surplus of \$1,085.47, as indicated herewith:

	June 30, 1956	June 30, 1957
Current Liabilities	\$10,437 49	\$1,744 59
Total Assets	6,401 09	2,830 06
	<hr/>	<hr/>
Current Deficit or (Surplus)	\$4,036 40	(\$1,085 47)

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

July 26, 1957

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1957, and found them to be in good order.

In our opinion, the Exhibits included herewith reflect the true financial condition of the School District as of June 30, 1957, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director

Division of Municipal Accounting

State Tax Commission

Norval D. Lessels, Auditor

Hugh J. Cassidy, Accountant

PART V. CHILD ACCOUNTING

A. GRADUATION FROM HIGH SCHOOL

Forty-nine (49) students, as compared with fifty-three (53) in 1956 and fifty-two (52) in 1955, were graduated from Peterborough High School in June, 1957.

Following is a list of the graduates:

Lawrence E. Abbott, Brenda Blomgren, Cynthia A. Blouin, Lemuel H. Bolles, Carol E. Brassard, Mary Bristol, Susan Bristol, Glenn I. Brown, Jr., Roger A. Buxton, Beverly A. Cashion, Robert J. Cashion, Patricia J. Chamberlain, Beverley F. Champagne, Joyce L. Cleary, John R. Coughlin, Jr., Carl E. Cowan, Janice Craig, Richard F. Crowell, Thomas B. Curren, Richard H. Dolan, Jr., Sally J. Doyle, Thomas J. Flanders, David G. Geoffrey, Dale Gilchrest, Nancy E. Hammond, Joan L. Hofer, Vernon G. Klardie, Gloria J. Lammi, Barbara A. McCreery, Edward T. Mulhall, Dorothy H. Muncil, Milan Donald Parker, David K. Peirce, Margaret A. Powers, Frank D. Price, Richard A. Raisanen, Anita M. Sangermano, Jessie Small, Patricia L. Smith, George O. Starkweather, Jr., Cynthia J. Tainter, Robert J. Taylor, Wallace W. Tripp, Christine J. Vaillancourt, Margaret E. Wheeler, Lenore A. Wynott, Amy E. Wildes, Matthew Yakovakis, Peter K. Zachos.

What do P. H. S. students do on graduating? The following indicate what they are doing:

College (four year course)	29%
Specialized Training	8%
Post Secondary other than College	4%
Armed Forces	12%
Clerical Positions	16.5%
Industrial Work	16.5%
Service Occupations	12%
Married	2%

B. STATISTICS FOR THE YEAR ENDING JUNE 30, 1957

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

To the Inhabitants and Taxpayers of the Peterborough School District:

Hello! Another year has elapsed and I find myself at the point in the year's work where I have the opportunity to bring to you a report and a message on the health and welfare of our school children.

As I start this report it appears insurmountable to be able to secure all the figures and to compile all the thoughts necessary to bring into focus the health activities of our school.

A comparison of the past two years follows:

	1957-58	1956-57
Physical Examinations	322	410
Physical Defects	28	62
Heights and Weights	629	509
Vision Screening	408	144
Audiometer Testing	349	449
Dental Corrections (No. of Children)	57	45
Sight Conservation (Glasses)	20	26
Individual Health Consultations	1793	983
Vitamin Program	96	84
Polio Vaccine	449	587
Tuberculosis Patch Test	235	258
Chest X-rays	65	78
Pre-School Physicals	44	45
Accident Insurance (Insured)	573	511
Home Contacts	230	177
Professional Contacts	64	65

The modern trend in health education leans more and more towards Public Health. Here is where preventive medicine in all its aspects comes to the foreground. I have found during my stay here in Peterborough that health counseling is playing a more important role each year, as can be witnessed by the increase in the individual health conferences.

I feel confident that the old adage, "An ounce of prevention is worth a pound of cure," should be the main theme of any health program. The health habits, as well as other habits, established in the growth period are the ones that remain with us for life. Therefore, I feel that it is essential that the "whole child" physically, mentally, and spiritually should be taken into consideration where health education is to be accomplished. Thus the educational process of the child should be so well integrated that there is no line of demarcation between the school subjects and health. Only in this way will we be able to obtain the optimum health of the child.

I would like to express my appreciation to all individuals, parents, teachers, and organizations that have aided in the objectives of school health this year and also in the past. It is heartwarming to be able to realize, both individually as parents and collectively as organizations, that your interests are for the welfare of our children, both of your own and of your neighbors. I feel that your interest is sincere and great. Otherwise you wouldn't have supported the health program so faithfully. At the writing of this report a telephone call was received reporting the fact that a Telebinocular Vision Machine has been ordered for presentation to the school. Here again is proof of your in-

terest and cooperation, both individually and collectively.

Thus I am sure the following two lines are mutually shared:

"What you write on the heart of a child,
No waters can wash it away."

Respectfully submitted,

S/GLAYDS NEWHALL, R. N.

GLAYDS NEWHALL, R. N., B.S., Ed. M.

B. HELPING TEACHER'S REPORT, 1957

I. Classroom Visits, Meetings Attended, and Conferences:

Classroom visits	488
Conferences with teachers and principals	116
Special group meetings with teachers and principals	17
Conferences with parents	48
School board meetings attended	7

II. Instructional Services Provided:

Distribution of free instructional aids.
Circulation of supplementary textbooks.
Interschool exchange of instructional ideas.
Individual testing of children for reading difficulties.
Distribution of professional books and periodicals.

III. In-service Training Programs Organized:

SCIENCE WORKSHOP—Three days. For all elementary teachers and principals in Jaffrey, Peterborough, Hancock, Dublin, and Rindge. Mr. Norman Harris of Science Park in Boston and Dr. John Read and Professor Pearl Nelson of Boston University. This is the first time Mr. Harris has participated in a program outside of the Museum of Science. Teachers evaluated the work they were doing in their own schools and then were shown how to build an elementary science curriculum which would be effective for children living in an advanced mechanical and atomic age. (March '57).

BASIS FOR PROMOTION—One day. Training program for principals and teachers of Hancock, Dublin and Rindge. This program which was worked out with principals and teachers to help answer some of the questions which arise in the small schools also included work in the area of Parent-Teacher Conference Method of Reporting and Accumulative Records. (May '57).

IV. Instructional Bulletins

An instructional bulletin was prepared and distributed monthly to principals, teachers, and school board members.

V. Articles Published:

"Role of the Supervisor in Modern Education," American School Board Journal, February, 1957.

"Prescription for the Johnny Who Can't Read," Elementary English Journal of the National Council of Teachers of English, publication date, December, 1957.

C. REPORT OF THE PETERBOROUGH SCHOOL STUDY COMMITTEE

Purpose

The Peterborough School Study Committee has worked for the past year in accordance with the following motion passed by the School District at its annual meeting on March 12, 1957:

"That the moderator be instructed to appoint a committee of nine members, one from the School Board, three from the teaching staff, two from the Budget Committee, and three other members to study methods in an effort to make more efficient and economical operation of our schools, and that a report of this committee be made to the School District within the next year."

The following are the Committee's recommendations:

1. That a Handbook be prepared, to be available to all concerned, which will clearly outline the responsibility, channels of authority, and operating procedures for the Superintendent, School Board, Helping Teacher, Principals and Teachers.

2. That School Board meetings be on a monthly or twice-monthly schedule, and that they be open to the public and the press.

3. That the School Board should be increased from three to six members.

4. That an advisory board be established from the School Boards of the towns sending tuition pupils to Peterborough.

5. That the School Board dispose of the Central School and the land on which it stands.

6. That the School Board maintain closer relations with the Selectmen on fiscal matters.

7. That the School Board undertake, enlisting such help or outside assistance as is necessary, detailed studies of the following areas of school operation:

- a. Curriculum

- b. Finance

- c. Extra-Curricular activities

8. That the proposed revised teacher salary schedule be adopted and that a merit rating plan be instituted as soon as possible.

Method

To secure the facts described within this report, and to support the recommendations listed, this Committee used three methods:

1. Questionnaires for teachers, students, and graduates now in post-secondary schools.
2. Personal interviews with School Board members, the Superintendent, Principal, teachers and parents.
3. Studies of available administrative and finance materials, whose sources are listed at the end of the report.

Report

We find that the individuals engaged in the direction of the education of our children are sincerely and conscientiously dedicated to good education. Each deserves his share of credit for the continuing effort expended in raising the academic standards of the Peterborough Schools. There are, however, certain areas in which improvement might be made.

1. ADMINISTRATION

Because of misunderstanding and lack of knowledge, there has been some confusion in the administration of our school program. A handbook, clearly defining areas of responsibility, duties and channels of authority for all personnel, would enable conscientious people to do a more efficient job. Regular use of such a handbook should result in the solution of many problems at their proper level, thus eliminating costly delays and reducing teacher turnover.

Our studies have shown that school affairs are becoming more complex. To provide more efficient management, an increase in School Board members to six is recommended. Such a move would provide broader representation for the voters. A larger School Board would not be so readily subject to the domination of a single strong individual. The far-sighted planning necessary for the years ahead is too much to ask of three persons devoting part of their time to the task. Each member should be assigned responsibility for a specific part of school policy. More members would make this work lighter for all and result in more efficient operation.

2. PUBLIC RELATIONS

Our studies reveal a strong feeling among the general public, here and in the tuition towns, that too little is known about our school and its operation. To correct this, it is suggested that School Board meetings be held on a regular schedule and that they be open to the public and the press.

To keep the tuition towns better informed, representatives of the School Boards of each tuition community should be organized into an advisory committee to meet and consult with our School Board.

Periodic reports to the public should be prepared by the Superintendent. Official notice would thus be given of new programs or changes, and the disturbing effect of rumor would be minimized. Present informative reports by the school should be continued and expanded. These steps should help to lower teacher turnover, which would, in turn, provide a higher rate of efficiency.

In order to effect a better balance and greater general understanding of fiscal matters and their impact on the tax rate, it is suggested that the School Board meet periodically with the Selectmen.

3. CURRICULUM

Our present curriculum meets all of the new requirements set forth by the State Board of Education, which are to become effective in September of 1958.

It is our feeling that, since Conant High School in Jaffrey has been designated by the State Board of Education as an area school for Auto Mechanics, the local School Board should consider the discontinuance of our Auto Mechanics course. Existing facilities might thus be more effectively devoted to other subjects of value to the needs of the area served by the school. In order to assure more effective action in this direction, it is recommended that further study be made. Such study should be undertaken by the School Board with outside assistance, or by Board-appointed committees. These studies should cover three specific areas: First, the entire range of academic, commercial and vocational curriculum; second, teachers' salaries—particular emphasis should be directed toward the development of a merit rating plan; third, extra-curricular activities and use of the school buildings by non-school organizations. Some change in the curricular program to enable tuition students to participate more fully appears to be desirable. As a part of curriculum discussion, it should be remembered that the teaching of "how to study" is part of the teachers' task and responsibility. Greater emphasis should be placed on this.

4. BUDGET

Direct control over the School District budget is largely limited to the items of teachers' salaries, instructional supplies and plant maintenance. By far the largest item is salaries. Our studies verified the fact that an important reason for teacher turnover is low teacher salaries. A large turnover tends to lower efficiency and to increase year-to-year costs. Peterborough has been experiencing a large turnover every year for many years. Last year this involved one-third of our teachers. The distribution of salaries has been inequitable for a long time. Last year the School Board established a salary schedule and proposed that all teachers would be on schedule within two years. After the schedule was published, it was discovered that

it covered too low a range. The School Board has proposed two changes for 1958-59: First that all teachers be put on schedule; second, that a higher schedule be accepted. We recommend this revision as a step in the right direction. Further study of this question is urgently recommended. The development and installation of a realistic merit plan is urged. Such a plan should be ready for adoption by the fall of 1958.

Our studies revealed that Peterborough's outlay for instructional supplies and plant maintenance is much higher than for comparable school systems. Perhaps there are valid reasons for these higher expenditures. In any event, further study should be made at this time of these items.

It appears that replacement with fluorescent fixtures of the existing lights in the elementary and junior high wings would offset the initial cost in five years. After this period, a continuous saving could be realized. This change is recommended.

5. GENERAL

Our Committee feels that the Central School building should be razed. The two acres of land on which it stands should be sold. The proceeds from such sale should be used to improve the existing playground at the rear of the Consolidated School.

Our Committee feels that the expenditure of a sum of money for the purchase of some metal blinds, as suggested by Civil Defense, for the basement room of the elementary school is not practical at this time.

Respectfully submitted,

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we hide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
